

## LUMIN UV CPAP SANITISER \$350

Lumin uses UVC light to disinfect. It can be used on CPAP equipment, toys, toothbrushes, m/guards, pacifiers and mobile phones.

Open the drawer, place the items inside, and close. Press the button in 5 minutes it destroys 99.9% of bacteria, fungus and virus. No noise, no filters to change.

## Medistrom Pilot Lite Battery \$440

### Car charger available

Please use without heated tubing or humidifier to ensure battery lasts longer. Either turn off your heated tubing, or purchase a plain tubing and remove humidifier. (Resmed

Airsense has a side cover available)

## NightShift for Sleep Apnoea

Night Shift, vibro-tactile positional therapy for obstructive sleep apnoea, keeps you off your back so you snore less and sleep better. Worn on the back of the neck, it begins to vibrate when you start to sleep on your back

Available to trial \$70 for 1 week.  
\$400

Did you know - dry mouth can be a sign of mask leak? It can also be a sign that your mouth is opening through the night. Ageing headgear, split seals or a hole in your tubing can all contribute to dry mouth or high AHI
